

Our history

SIB Scientific is the global leader in lab and biotech equipment sales, brokerage, and consignment.

We've been providing the highest quality used laboratory and medical equipment across the globe since 2015.

At SIB Scientific, we sell and buy high end state-of-art laboratory equipment enabling us to provide superior customer service to those looking to upgrade the current equipment, sell it, or replace it altogether.

Refurbishing

Get the most affordable refurbished equipment - shipped directly to your door. Quickly and easily with SIB Scientific.

We offer refurbished equipment in order to create more affordable options for our customers around the world. Whether you are looking for used analytical lab equipment or refurbished laboratory equipment that works like new, we have what you need.

Our services

Buying and selling

Get the highest quality refurbished lab equipment (and more) - no matter where you are in the world.

We buy, sell, broker, and refurbish analytical, biotech, clinical, and other lab equipment to the highest quality.

We'll get it to you quickly and affordably, every single time.

We'll buy your old equipment for cash or offer unbeatable part-exchange deals.

Repair, cleaning, and decontamination

We also offer a broad range of service contracts and refurbishments for all sorts of technologies - including entire lab liquidation, cleaning and decontamination.

Brokerage

Our team of experts really understand the market. That means we can ensure consistent quality brokerage options no matter what your equipment is or the sector you operate in.

Understand market trends, build on experienced relationships and maximize returns with SIB Scientific's brokerage options.

Outright purchase

We'll buy a single piece of equipment or an entire facility. Get an instant quote or chat with our sales-team, 24/7.

Consignment and storage

We've developed the ultimate low-cost storage warehouse program and logistics outreach.

That means you can store all your equipment with us safely and affordably at all times.

Manage and track your assets while freeing up your time and space, with SIB Scientific.
